

CITB Skills and Training Fund

Up to **£25,000*** available per CITB-registered company (in addition to standard CITB grants) to fund new training and development projects to help your organisation grow / develop and/ or make it more efficient/ profitable.

We can help you identify eligible training that would best help your business. Depending on the size of your organization, the funds may be used to cover some or all of the following:

- Construction-related training
- Both CITB Grant aided and non-grant aided high quality training
- Leadership and Management Training
- E-learning and or in-house training
- Coaching and mentoring

Funds can also be utilized by companies who wish to:

- Develop their own learning resources or company specific guidance manuals
- Achieve business development accreditation focused on people e.g. IIP

Hard Hat Training Services Limited can assist organisations to develop and submit a bid to CITB for funding and provide full support to the organization to ensure the evidence and evaluation requirements are met.

- Since May 2016, £1.8M funding won for construction training projects via bid writing services
- 100% success rate to date
